RESOLUTION OF THE COUNCIL OF THE CITY OF FRESNO, CALIFORNIA AUTHORIZING AND APPROVING THE BORROWING OF FUNDS FOR FISCAL YEAR 2009-2010; THE ISSUANCE AND SALE OF A 2009-2010 TAX REVENUE ANTICIPATION NOTE THEREFOR AND PARTICIPATION IN THE CALIFORNIA COMMUNITIES CASH FLOW FINANCING PROGRAM

WHEREAS, local agencies are authorized by Section 53850 to 53858, both inclusive, of the Government Code of the State of California (the "Act") (being Article 7.6, Chapter 4, Part 1, Division 2, Title 5 of the Government Code) to borrow money by the issuance of temporary notes; and

WHEREAS, the legislative body (the "Legislative Body") of the local agency specified in Section 21 hereof (the "Local Agency") has determined that a sum (the "Principal Amount"), not to exceed the Maximum Amount of Borrowing specified in Section 21 hereof, which Principal Amount is to be confirmed and set in the Pricing Confirmation (as defined in Section 4 hereof), is needed for the requirements of the Local Agency, to satisfy obligations of the Local Agency, and that it is necessary that said Principal Amount be borrowed for such purpose at this time by the issuance of a note or notes therefor in anticipation of the receipt of taxes to be received by the Local Agency for the general fund of the Local Agency attributable to its fiscal year ending June 30, 2010 ("Fiscal Year 2009-2010"); and

WHEREAS, the Local Agency hereby determines to borrow, for the purposes set forth above, the Principal Amount by the issuance of the Note, as hereinafter defined; and

WHEREAS, it appears, and this Legislative Body hereby finds and determines, that the Principal Amount, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes of the Local Agency attributable to the Fiscal Year 2009-2010, and available for the payment of the principal of the Note and the interest thereon; and

WHEREAS, it appears, and this Legislative Body hereby finds and determines that, as required under the Local Agency's Charter Section 1210, the Principal Amount, when aggregated with any other temporary loans of the Local Agency that may at any time be concurrently outstanding, will not exceed twenty-five percent (25%) of the Local Agency's tax receipts during its preceding Fiscal Year (July 1, 2008 through June 30, 2009); and the Principal Amount, and interest payable thereon, shall be paid out of the receipts from taxes for the Fiscal Year 2009-2010; and

WHEREAS, no money has heretofore been borrowed by or on behalf of the Local Agency through the issuance of tax revenue anticipation notes or temporary notes in anticipation of the receipt of, or payable from or secured by, taxes for Fiscal Year 2009-2010; and

Adopted 3/31/09

2009-75

WHEREAS, pursuant to Section 53856 of the Act, certain moneys which will be received by the Local Agency during and attributable to the Fiscal Year can be pledged for the payment of the principal of the Note and the interest thereon (as hereinafter provided); and

WHEREAS, the Local Agency has determined that it is in the best interests of the Local Agency to participate in the California Communities Cash Flow Financing Program (the "Program"), whereby participating local agencies (collectively, the "Issuers") will simultaneously issue tax revenue/tax and revenue anticipation notes; and

WHEREAS, the Local Agency desires to have its Note marketed together with some or all of the notes issued by the Issuers participating in the Program; and

WHEREAS, the California Statewide Communities Development Authority (the "Authority") has sponsored the Program and, on behalf of the Issuers, has engaged the underwriter appointed in Section 20 hereof (the "Underwriter"), for the purpose of structuring one or more pools of notes or series of note participations (referred to herein as the "Note Participations", the "Series" and/or the "Series of Note Participations") distinguished by whether and what type(s) of Credit Instrument (as hereinafter defined) secures notes comprising each Series, by the principal amounts of the notes assigned to the Series, by whether interest on the Series of Note Participations is a fixed rate of interest or a variable rate of interest swapped to a fixed rate, by whether interest on the Series of Note Participations is includable in gross income for federal income tax purposes, or by other factors, all of which the Local Agency hereby authorizes the Underwriter to determine; and

WHEREAS, the Program requires the Issuers participating in any particular Series to deposit their tax and revenue anticipation notes with a trustee, pursuant to a trust agreement (the "Trust Agreement") among such Issuers, the Local Agency, the Authority and Wells Fargo Bank, National Association, as trustee (the "Trustee"); and

WHEREAS, the Program requires the Trustee, pursuant to the Trust Agreement, to execute and deliver the Note Participations evidencing and representing proportionate, undivided interests in the payments of principal of and interest on the tax/tax and revenue anticipation notes issued by the Issuers comprising such Series; and

WHEREAS, the Local Agency desires to have the Trustee execute and deliver a Series of Note Participations which evidence and represent interests of the Owners, as defined in the Trust Agreement, thereof in the Note and the Notes issued by other Issuers in such Series; and

WHEREAS, as additional security for the Owners of the Note Participations, all or a portion of the payments by all of the Issuers of their respective notes may or may not be secured either by an irrevocable letter (or letters) of credit or policy (or policies) of insurance or other credit instrument (or instruments) (collectively, the "Credit Instrument") issued by the credit provider or credit providers designated in the Trust Agreement, as finally executed (collectively, the "Credit Provider"), which may be issued pursuant to a credit agreement or agreements or

commitment letter or letters designated in the Trust Agreement (collectively, the "Credit Agreement") between the Issuers and the respective Credit Provider; and

WHEREAS, the net proceeds of the Note may be invested by the Local Agency in Permitted Investments (as defined in the Trust Agreement) or in any other investment permitted by the laws of the State of California, as now in effect and as hereafter amended, modified or supplemented from time to time; and

WHEREAS, the Program requires that each participating Issuer approves the Trust Agreement and the alternative forms of Credit Instruments, if any, in substantially the forms presented to the Legislative Body, and designates and authorizes certain City officials and/or financial officers to determine and approve the final form of Trust Agreement, type of Credit Instrument and corresponding Credit Agreement, by delivering the Pricing Confirmation; and

WHEREAS, pursuant to the Program each participating Issuer will be responsible for its share of (a) the fees of the Trustee and the costs of issuing the applicable Series of Note Participations, and (b), if applicable, the fees of the Credit Provider (which shall be payable from, among other sources, moneys in the Costs of Issuance Fund established and held under the Trust Agreement), the Issuer's allocable share of all Predefault Obligations and the Issuer's Reimbursement Obligations, if any (each as defined in the Trust Agreement); and

WHEREAS, pursuant to the Program, the Note and the Notes issued by other Issuers participating in the same Series (all as evidenced and represented by a Series of Note Participations) will be offered for sale through negotiation with the Underwriter pursuant to the terms and provisions of a purchase agreement, which shall be in substantially the same form as the purchase agreement presented to this meeting (the "Purchase Agreement"); and

WHEREAS, the Trust Agreement provides, among other things, that for the benefit of Owners and the Credit Provider, if any, the Local Agency shall provide notices of the occurrence of certain enumerated events, if deemed by the Local Agency to be material; and

WHEREAS, it is necessary to engage the services of certain professionals to assist the Local Agency in its participation in the Program.

NOW, THEREFORE, the Legislative Body hereby finds, determines, declares and resolves as follows:

Section 1. Recitals. This Legislative Body hereby finds and determines that all the above recitals are true and correct. Capitalized terms not defined herein shall have the meanings ascribed thereto in the Trust Agreement.

Section 2. Authorization of Issuance. This Legislative Body hereby determines to borrow solely for the purpose of anticipating taxes to be received by the Local Agency for the general fund of the Local Agency attributable to Fiscal Year 2009-2010, by the issuance of a note or notes, pursuant to the provisions of Sections 53850 *et seq.* of the Act, designated the Local Agency's "2009 Tax Revenue Anticipation Note," with an

appropriate series designation if more than one note is issued (collectively, the "Note"), to be issued in the form of a fully registered note or notes in the Principal Amount thereof, to be dated the date of its delivery to the initial purchaser thereof, to mature (without option of prior redemption) not more than thirteen (13) months thereafter on a date indicated on the face thereof and determined in the Pricing Confirmation (the "Maturity Date"), and to bear interest, payable on its Maturity Date (and if the Maturity Date is more than 12 months from the date of issuance, payable on the interim interest payment date set forth in the Pricing Confirmation) and computed upon the basis of a 360-day year consisting of twelve 30-day months, or a 365 or 366 day year, as the case may be, and actual days elapsed, at a rate or rates, if more than one Note is issued, not to exceed twelve percent (12%) per annum as determined in the Pricing Confirmation and indicated on the face of the Note (the "Note Rate"). If the Note as evidenced and represented by the Series of Note Participations is secured in whole or in part by a Credit Instrument or such Credit Instrument secures the Note in whole or in part and all principal of and interest on the Note is not paid in full at maturity or if payment of principal of and/or interest on the Note is paid (in whole or in part) by a draw under, payment by or claim upon a Credit Instrument which draw, payment or claim is not fully reimbursed on such date, such Note shall become a Defaulted Note (as defined in the Trust Agreement), and the unpaid portion thereof (including the interest component, if applicable) thereof (or the portion (including the interest component, if applicable) thereof with respect to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate (as defined in the Trust Agreement). If the Note as evidenced and represented by the Series of Note Participations is unsecured in whole or in part and the Note is not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Instrument applies which is unpaid) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case however, the obligation of the Local Agency with respect to such Defaulted Note or unpaid Note shall not be a debt or liability of the Local Agency prohibited by Article XVI, Section 18 of the California Constitution and the Local Agency shall not be liable thereon except to the extent of any available revenues attributable to Fiscal Year 2009-2010, as provided in Section 8 hereof. The percentage of the Note as evidenced and represented by the Series of Note Participations to which a Credit Instrument, if any, applies (the "Secured Percentage") shall be equal to the amount of the Credit Instrument divided by the aggregate amount of unpaid principal of and interest on the unpaid notes (or portions thereof) of all Issuers of Notes comprising such Series of Note Participations, expressed as a percentage (but not greater than 100 percent) as of the maturity date. Both the principal of and interest on the Note shall be payable in lawful money of the United States of America.

The Note shall be issued in conjunction with the note or notes of one or more other Issuers as part of the Program and within the meaning of Section 53853 of the Act.

Section 3. Form of Note. The Note shall be issued in fully registered form without coupons and shall be substantially in the form and substance set forth in Exhibit

As attached hereto and by reference incorporated herein, the blanks in said forms to be filled in with appropriate words and figures.

Section 4. Sale of Note; Delegation. The Note Participations (evidencing interests in the Note) shall be sold to the Underwriter pursuant to the terms and provisions of the Purchase Agreement. The form of the Purchase Agreement, including the form of the Pricing Confirmation that is set forth as an Exhibit thereto (the "Pricing Confirmation"), presented to the Legislative Body and on file with the City Clerk, are hereby approved. The authorized representatives set forth in Section 21 hereof (the "Authorized Representatives") are each hereby authorized and directed to execute and deliver the Purchase Agreement in substantially said form, with such changes thereto as such Authorized Representative shall approve in consultation with counsel, such approval to be conclusively evidenced by his or her execution and delivery thereof; *provided, however,* that the Note Rate shall not exceed 12 percent per annum, and that the Local Agency's *pro rata* share of Underwriter's discount on the Note, when added to the Local Agency's share of the costs of issuance of the Note Participations, shall not exceed 1.0 percent of the Principal Amount of the Note and the Principal Amount shall not exceed the Maximum Amount of Borrowing. Delivery of an executed copy of the Pricing Confirmation by fax or telecopy shall be deemed effective execution and delivery for all purposes.

Section 5. Program Approval. The Note shall be combined with notes of other Issuers into a Series as set forth in the Preliminary Official Statement, hereinafter mentioned, and shall be sold simultaneously with such other notes of that Series supported by the Credit Instrument (if any) referred to in the Pricing Confirmation, and shall be evidenced and represented by the Note Participations which shall evidence and represent proportionate, undivided interests in the Note in the proportion that the face amount of the Note bears to the total aggregate face amount of the Note and the notes issued by other Issuers which the Series of Note Participations represent. Such Note Participations may be delivered in book-entry form.

The forms of Trust Agreement and alternative general types and forms of Credit Agreements, if any, presented to the Legislative Body and on file with the City Clerk are hereby approved, and the Authorized Representative is hereby authorized and directed to execute and deliver the Trust Agreement and a Credit Agreement, if applicable, which shall be identified in the Pricing Confirmation, in substantially one or more of said forms (a substantially final form of Credit Agreement to be delivered to the Authorized Representative following the execution by the Authorized Representative of the Pricing Confirmation), with such changes therein as said officer shall require or approve, such approval of this Legislative Body and such officer to be conclusively evidenced by the execution of the Trust Agreement and the Credit Agreement, if any. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement. The Authorized Representative is hereby authorized and directed to comply with and carry out all of the provisions of the Trust Agreement with respect to continuing disclosure; *provided however,* that failure of the Local Agency to comply with the Continuing Disclosure Agreement, as defined in Article 11 of the

Trust Agreement, shall not be considered an Event of Default hereunder. Any Credit Agreement identified in the Pricing Confirmation but not at this time before the Legislative Body shall include reasonable and customary terms and provisions relating to fees, increased costs of the Credit Provider payable by the Local Agency, negative and affirmative covenants of the Local Agency and events of default. The form of the Preliminary Official Statement presented to this meeting is hereby approved, and the Underwriter is hereby authorized and directed to cause to be mailed to prospective bidders the Preliminary Official Statement in connection with the offering and sale of the Note Participations.

Any one of the Authorized Representatives of the Local Agency is hereby authorized and directed to provide the Underwriter with such information relating to the Local Agency as they shall reasonably request for inclusion in the Preliminary Official Statement and Official Statement. Upon inclusion of the information relating to the Local Agency therein, the Preliminary Official Statement is, except for certain omissions permitted by Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"), hereby deemed final within the meaning of the Rule; *provided* that no representation is made as to the information contained in the Preliminary Official Statement relating to the other Issuers or any Credit Provider. If, at any time prior to the end of the underwriting period, as defined in the Rule, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the Local Agency might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Local Agency shall promptly notify the Underwriter. The Authority is hereby authorized and directed, at or after the time of the sale of any Series of Note Participations, for and in the name and on behalf of the Local Agency, to execute a final Official Statement in substantially the form of the Preliminary Official Statement presented to this meeting, with such additions thereto or changes therein as the Authority may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

The Trustee is authorized and directed to execute Note Participations on behalf of the Local Agency pursuant to the terms and conditions set forth in the Trust Agreement, in the aggregate principal amount specified in the Trust Agreement, and substantially in the form and otherwise containing the provisions set forth in the form of the Note Participations contained in the Trust Agreement. When so executed, the Note Participations shall be delivered by the Trustee to the Underwriter upon payment of the purchase price thereof, pursuant to the terms of the Trust Agreement.

Subject to Section 8 hereof, the Local Agency hereby agrees that if the Note as evidenced and represented by the Series of Note Participations shall become a Defaulted Note, the unpaid portion (including the interest component, if applicable) thereof or the portion (including the interest component, if applicable) to which a Credit Instrument applies for which full reimbursement on a draw, payment or claim has not been made by the Maturity Date shall be deemed outstanding and shall not be deemed to be paid until (i) any Credit Provider providing a Credit Instrument with respect to the Series of Note Participations, and therefore, if applicable, all or a portion of the Local Agency's Note, if any, has been reimbursed for any drawings, payments or claims made under or from the Credit Instrument with respect to the Note, including

interest accrued thereon, as provided therein and in the applicable Credit Agreement, and, (ii) the holders of the Series of the Note Participations which evidence and represent the Note are paid the full principal amount represented by the unsecured portion of the Note plus interest accrued thereon (calculated at the Default Rate) to the date of deposit of such aggregate required amount with the Trustee. For purposes of clause (ii) of the preceding sentence, holders of the Series of Note Participations will be deemed to have received such principal amount upon deposit of such moneys with the Trustee.

The Local Agency agrees to pay or cause to be paid, in addition to the amounts payable under the Note, any fees or expenses of the Trustee and, to the extent permitted by law, if the Local Agency's Note as evidenced and represented by the Series of Note Participations is secured in whole or in part by a Credit Instrument, any Predefault Obligations and Reimbursement Obligations (to the extent not payable under the Note), (i) arising out of an "Event of Default" hereunder (or pursuant to Section 7 hereof) or (ii) arising out of any other event (other than an event arising solely as a result of or otherwise attributable to a default by any other Issuer). In the case described in (ii) above with respect to Predefault Obligations, the Local Agency shall owe only the percentage of such fees, expenses and Predefault Obligations equal to the ratio of the principal amount of its Note over the aggregate principal amounts of all notes, including the Note, of the Series of which the Note is a part, at the time of original issuance of such Series. The Local Agency will pay such additional amounts within twenty-five (25) days of receipt by the Local Agency of a bill therefor from the Trustee.

Section 6. No Joint Obligation. The Note shall be marketed and sold simultaneously with the notes of other Issuers and shall be aggregated and combined with notes of other Issuers participating in the Program into a Series of Note Participations evidencing and representing an interest in several, and not joint, obligations of each Issuer. The obligation of the Local Agency to Owners is a several and not a joint obligation and is strictly limited to the Local Agency's repayment obligation under this Resolution and the Note, as evidenced and represented by such Series of Note Participations.

Owners, to the extent of their interest in the Note, and the Credit Provider, if any, shall be treated as owners of the Note and shall be entitled to all the rights and security thereof in accordance with the Trust Agreement; including the right to enforce the obligations and covenants contained in this Resolution and the Note. The Local Agency hereby recognizes the right of the Owners and the Credit Provider, if any, acting directly or through the Trustee to enforce the obligations and covenants contained in the Note, this Resolution and the Trust Agreement. The Local Agency shall be directly obligated to each Owner for the principal and interest payments on the Note evidenced and represented by the Note Participations without any right of counterclaim or offset arising out of any act or failure to act on the part of the Trustee.

Section 7. Disposition of Proceeds of Note. The moneys received from the sale of the Note allocable to the Local Agency's share of the costs of issuance (which shall include any issuance fees in connection with any Credit Instrument applicable to the Note, if any) shall be deposited in the Costs of Issuance Fund held and invested by the

Trustee under the Trust Agreement and expended on costs of issuance as provided in the Trust Agreement. The moneys received from the sale of the Note (net of the Local Agency's share of the costs of issuance) shall be deposited, for credit to the Local Agency's Proceeds Subaccount, in the Proceeds Fund hereby authorized to be created pursuant to, and held and invested by the Trustee under, the Trust Agreement for the Local Agency. Said moneys may be used and expended by the Local Agency for any purpose for which it is authorized to expend moneys, upon requisition from the Proceeds Subaccount as specified in the Trust Agreement. Amounts credited to the Proceeds Subaccount are hereby pledged to the payment of the Note.

Notwithstanding the foregoing, the Trustee shall not be required to create the Local Agency's Proceeds Subaccount as a segregated account within the Proceeds Fund, but will keep records to account separately for proceeds of the Note Participations allocable to the Local Agency's Note on deposit in the Proceeds Fund. The separately accounted for proceeds shall constitute the Local Agency's Proceeds Subaccount.

Section 8. Source of Payment. The principal amount of the Note, together with the interest thereon, shall be payable from taxes received by the Local Agency for the general fund of the Local Agency and are attributable to Fiscal Year 2009-2010 and which are available for payment thereof. As security for the payment of the principal of and interest on the Note, the Local Agency hereby pledges all unrestricted tax revenues (as hereinafter provided, the "Pledged Revenues") which are received by the Local Agency for the general fund of the Local Agency and are attributable to Fiscal Year 2009-2010, and the principal of the Note and the interest thereon shall constitute a first lien and charge thereon and shall be payable from the first moneys received by the Local Agency from such Pledged Revenues and any other taxes of the Local Agency lawfully available therefor (all as provided for in Sections 53856 and 53857 of the Act), subject to any requirements of the Local Agency Charter. The term "unrestricted tax revenues" shall mean all taxes intended as receipts for the general fund of the Local Agency attributable to Fiscal Year 2009-2010 and which are generally available for the payment of current expenses and other obligations of the Local Agency. The holder of the Note, the Owners, and the Credit Provider, if any, shall have a first lien and charge on such unrestricted tax revenues as hereinafter provided which are received by the Local Agency and are attributable to Fiscal Year 2009-2010.

In order to effect the pledge referenced in the preceding paragraph, the Local Agency hereby agrees and covenants to establish and maintain a special account within the Local Agency's general fund to be designated the "2009 Tax Revenue Anticipation Note Payment Account" (the "Payment Account") and further agrees and covenants to maintain the Payment Account until the payment of the principal of the Note and the interest thereon. Notwithstanding the foregoing, if the Local Agency elects to have Note proceeds invested in Permitted Investments to be held by the Trustee pursuant to the Pricing Confirmation, a subaccount of the Payment Account (the "Payment Subaccount") shall be established for the Local Agency under the Trust Agreement and proceeds credited to such account shall be pledged to the payment of the Note. The Trustee need not create a subaccount, but may keep a record to account separately

for proceeds of the Note so held and invested by the Trustee which record shall constitute the Local Agency's Proceeds Subaccount. Transfers from the Payment Subaccount shall be made in accordance with the Trust Agreement. The Local Agency agrees to transfer to and deposit in the Payment Account the first amounts received in the months specified in the Pricing Confirmation as Repayment Months (each individual month a "Repayment Month" and collectively "Repayment Months") (and any amounts received thereafter attributable to Fiscal Year 2009-2010) until the amount on deposit in the Payment Account, together with the amount, if any, on deposit in the Payment Subaccount, and taking into consideration anticipated investment earnings thereon to be received by the Maturity Date, is equal in the respective Repayment Months identified in the Pricing Confirmation to the percentage of the principal and interest due on the Note specified in the Pricing Confirmation. In making such transfer and deposit, the Local Agency shall not be required to physically segregate the amounts to be transferred to and deposited in the Payment Account from the Local Agency's other general fund moneys, but, notwithstanding any commingling of funds for investment or other purposes, the amounts required to be transferred to and deposited in the Payment Account shall nevertheless be subject to the lien and charge created herein.

Any one of the Authorized Representatives of the Local Agency is hereby authorized to approve the determination of the Repayment Months and percentages of the principal and interest due on the Note required to be on deposit in the Payment Account and/or the Payment Subaccount in each Repayment Month, all as specified in the Pricing Confirmation, by executing and delivering the Pricing Confirmation, such execution and delivery to be conclusive evidence of approval by this Legislative Body and such Authorized Representative; provided, however, that the maximum number of Repayment Months shall be six and the maximum amount of Pledged Revenues required to be deposited in each Repayment Month shall not exceed fifty percent (50%) of the aggregate principal and interest due on the Note. In the event on the day in each such Repayment Month that a deposit to the Payment Account is required to be made, the Local Agency has not received sufficient unrestricted revenues to permit the deposit into the Payment Account of the full amount of Pledged Revenues to be deposited in the Payment Account from said unrestricted revenues in said month, then the amount of any deficiency shall be satisfied and made up from any other taxes of the Local Agency lawfully available for the payment of the principal of the Note and the interest thereon, as and when such other taxes are received or are otherwise legally available.

Any moneys placed in the Payment Account or the Payment Subaccount shall be for the benefit of (i) the holder of the Note and the Owners and (ii) (to the extent provided in the Trust Agreement) the Credit Provider, if any. The moneys in the Payment Account and the Payment Subaccount shall be applied only for the purposes for which such Accounts are created until the principal of the Note and all interest thereon are paid or until provision has been made for the payment of the principal of the Note at maturity with interest to maturity (in accordance with the requirements for defeasance of the Note Participations as set forth in the Trust Agreement) and, if applicable, (to the extent provided in the Trust Agreement and, if applicable, the Credit Agreement) the payment of all Predefault Obligations and Reimbursement Obligations owing to the Credit Provider.

The Local Agency hereby directs the Trustee to transfer on the Note Payment Deposit Date (as defined in the Trust Agreement), any moneys in the Payment Subaccount to the Note Participation Payment Fund (as defined in the Trust Agreement). In addition, on the Note Payment Deposit Date, the moneys in the Payment Account shall be transferred by the Local Agency to the Trustee, to the extent necessary (after crediting any transfer pursuant to the preceding sentence), to pay the principal of and/or interest on the Note, to make payments to a Swap Provider, if any, as defined in the Trust Agreement, pursuant to a Swap Agreement, if any, as defined in the Trust Agreement, or to reimburse the Credit Provider for payments made under or pursuant to the Credit Instrument. In the event that moneys in the Payment Account and/or the Payment Subaccount are insufficient to pay the principal of and interest on the Note in full when due, such moneys shall be applied in the following priority: first to pay interest on the Note; second to pay principal of the Note; third to reimburse the Credit Provider for payment, if any, of interest with respect to the Note; fourth to reimburse the Credit Provider for payment, if any, of principal with respect to the Note; and fifth to pay any Reimbursement Obligations of the Local Agency and any of the Local Agency's pro rata share of Predefault Obligations owing to the Credit Provider. Any moneys remaining in or accruing to the Payment Account and/or the Payment Subaccount after the principal of the Note and the interest thereon and any Predefault Obligations and Reimbursement Obligations, if applicable, have been paid, or provision for such payment has been made, shall be transferred to the general fund of the Local Agency, subject to any other disposition required by the Trust Agreement, or, if applicable, the Credit Agreement. Nothing herein shall be deemed to relieve the Local Agency from its obligation to pay its Note in full on the Maturity Date.

Moneys in the Proceeds Subaccount and in the Payment Subaccount shall be invested by the Trustee pursuant to the Trust Agreement as directed by the Local Agency in Permitted Investments as described in and under the terms of the Trust Agreement. Any such investment by the Trustee shall be for the account and risk of the Local Agency, and the Local Agency shall not be deemed to be relieved of any of its obligations with respect to the Note, the Predefault Obligations or Reimbursement Obligations, if any, by reason of such investment of the moneys in its Proceeds Subaccount or the Payment Subaccount.

The Local Agency shall promptly file with the Trustee and the Credit Provider, if any, such financial reports at the times and in the forms required by the Trust Agreement. At the written request of the Credit Provider, if any, the Local Agency shall, within ten (10) Business Days following the receipt of such written request, file such report or reports to evidence the transfer to and deposit in the Payment Account required by this Section 8 and provide such additional financial information as may be required by the Credit Provider, if any.

Section 9. Execution of Note. Any one of the Authorized Representatives of the Local Agency shall be authorized to execute the Note by manual or facsimile signature and the Secretary or Clerk of the Legislative Body of the Local Agency, or any duly appointed assistant thereto, shall be authorized to countersign the Note by manual or facsimile signature. Said Authorized Representatives of the Local Agency are hereby authorized to cause the blank spaces of the Note to be filled in as may be appropriate pursuant to the Pricing Confirmation. Said Authorized Representatives or officers are

hereby authorized and directed to cause the Trustee, as registrar and authenticating agent, to accept delivery of the Note pursuant to the terms and conditions of the Purchase Agreement, this Resolution and Trust Agreement. If any officer who signs any Note as an Authorized Representative shall cease to hold the office designated as an Authorized Representative before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in such office or capacity until delivery. The Note need not bear the seal of the Local Agency, if any.

Section 10. Representations and Covenants of the Local Agency. The Local Agency makes the following representations for the benefit of the holder of the Note, the Owners, and the Credit Provider, if any.

(A) The Local Agency is duly organized and existing under and by virtue of the laws of the State of California and has all necessary power and authority to (i) adopt this Resolution and perform its obligations hereunder, (ii) enter into and perform its obligations under the Purchase Agreement, and (iii) issue the Note and perform its obligations thereunder.

(B) Upon the issuance of the Note, the Local Agency shall have taken all action required to be taken by it to authorize the issuance and delivery of the Note and the performance of its obligations thereunder, and the Local Agency has full legal right, power and authority to issue and deliver the Note.

(C) The issuance of the Note, the adoption of this Resolution and the execution and delivery of the Purchase Agreement, Trust Agreement and Credit Agreement, if any, and compliance with the provisions hereof and thereof will not conflict with or violate any law, administrative regulation, court decree, resolution, charter, by-laws or other agreement to which the Local Agency is subject or by which it is bound.

(D) Except as may be required under blue sky or other securities laws of any state or Section 3(a)(2) of the Securities Act of 1933, there is no consent, approval, authorization or other order of, or filing with, or certification by, any regulatory authority having jurisdiction over the Local Agency required for the issuance and sale of the Note or the consummation by the Local Agency of the other transactions contemplated by this Resolution, except those the Local Agency shall obtain or perform prior to or upon the issuance of the Note.

(E) The Local Agency has (or will have prior to the issuance of the Note) duly, regularly and properly adopted a preliminary budget for Fiscal Year 2009-2010 setting forth expected revenues and expenditures and has complied with all statutory and regulatory requirements with respect to the adoption of such budget. The Local Agency hereby covenants that it shall (i) duly, regularly and properly prepare and adopt its final budget for Fiscal Year 2009-2010, (ii) provide to the Trustee, the Credit Provider, if any,

and the Underwriter, promptly upon adoption, copies of such final budget and of any subsequent revisions, modifications or amendments thereto and (iii) comply with all applicable laws pertaining to its budget.

(F) The sum of the principal amount of the Local Agency's Note plus the interest payable thereon, on the date of its issuance, when aggregated with any other temporary loans of the Local Agency then outstanding, shall not exceed twenty-five percent (25%) of the estimated amounts of the Local Agency's uncollected and unrestricted taxes to be received by the Local Agency for the general fund of the Local Agency attributable to Fiscal Year 2009-2010, and which will be legally available to pay principal of and interest on the Note.

(G) The Local Agency (i) has not defaulted within the past twenty (20) years, and is not currently in default, on any debt obligation and (ii), to the best knowledge of the Local Agency, has never defaulted on any debt obligation.

(H) The Local Agency's most recent audited financial statements present fairly the financial condition of the Local Agency as of the date thereof and the results of operation for the period covered thereby. Except as has been disclosed to the Underwriter and the Credit Provider, if any, there has been no change in the financial condition of the Local Agency since the date of such audited financial statements that will in the reasonable opinion of the Local Agency materially impair its ability to perform its obligations under this Resolution and the Note. The Local Agency agrees to furnish to the Underwriter, the Authority, the Trustee and the Credit Provider, if any, promptly, from time to time, such information regarding the operations, financial condition and property of the Local Agency as such party may reasonably request.

(I) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, arbitrator, governmental or other board, body or official, pending or, to the best knowledge of the Local Agency, threatened against or affecting the Local Agency questioning the validity of any proceeding taken or to be taken by the Local Agency in connection with the Note, the Purchase Agreement, the Trust Agreement, the Credit Agreement, if any, or this Resolution, or seeking to prohibit, restrain or enjoin the execution, delivery or performance by the Local Agency of any of the foregoing, or wherein an unfavorable decision, ruling or finding would have a materially adverse effect on the Local Agency's financial condition or results of operations or on the ability of the Local Agency to conduct its activities as presently conducted or as proposed or contemplated to be conducted, or would materially adversely affect the validity or enforceability of, or the authority or ability of the Local Agency to perform its obligations under, the Note, the Purchase Agreement, the Trust Agreement, the Credit Agreement, if any, or this Resolution.

(J) Upon issuance of the Note and execution of the Purchase Contract, this Resolution, the Purchase Contract and the Note will constitute legal, valid and binding agreements of the Local Agency, enforceable in accordance with their respective terms,

except as such enforceability may be limited by bankruptcy or other laws affecting creditors' rights generally, the application of equitable principles if equitable remedies are sought, the exercise of judicial discretion in appropriate cases and the limitations on legal remedies against local agencies, as applicable, in the State of California.

(K) The Local Agency and its appropriate officials have duly taken, or will take, all proceedings necessary to be taken by them, if any, for the levy, receipt, collection and enforcement of the Pledged Revenues in accordance with law for carrying out the provisions of this Resolution and the Note.

(L) The Local Agency shall not incur any indebtedness secured by a pledge of its Pledged Revenues unless such pledge is subordinate in all respects to the pledge of Pledged Revenues hereunder. The foregoing does not prohibit the Local Agency from incurring debt or entering agreements for which obligations are payable out of Pledged Revenues when the obligations are not secured by a security interest in, or lien on, the Pledged Revenues.

(M) So long as the Credit Provider, if any, is not in payment default under the Credit Instrument, the Local Agency hereby agrees to pay its pro rata share of all Predefault Obligations and all Reimbursement Obligations attributable to the Local Agency in accordance with provisions of the Credit Agreement, if any, and/or the Trust Agreement, as applicable. Prior to the Maturity Date, moneys in the Local Agency's Payment Account and/or Payment Subaccount shall not be used to make such payments. The Local Agency shall pay such amounts promptly upon receipt of notice from the Credit Provider that such amounts are due to it.

(N) So long as any Note Participations executed and delivered in connection with the Note are Outstanding, or any Predefault Obligation or Reimbursement Obligation is outstanding, the Local Agency will not create or suffer to be created any pledge of or lien on the Note other than the pledge and lien of the Trust Agreement.

(O) The information describing the Local Agency contained in the Official Statement (excluding the statements and information pertaining to the Credit Provider and information under the heading "UNDERWRITING" and in the Appendix entitled "BOOK-ENTRY ONLY SYSTEM"), as of the time of delivery thereof to the Underwriter and at all times subsequent thereto up to and including the Closing, will be true, complete, correct and final in all material respects and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(P) The information contained in the Credit Questionnaire (including the Cashflow Worksheet therein) (the "Credit Questionnaire") completed by the Local Agency and submitted to the Authority and the Underwriter, will be at the time submitted and on the Closing Date true and accurate.

(Q) Tax Covenants. The Local Agency will not take any action or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Note under Section 103 of the Internal Revenue Code of 1986 (the "Code"). Without limiting the generality of the foregoing, the Local Agency will not make any use of the proceeds of the Note or any other funds of the Local Agency which would cause the Note to be an "arbitrage bond" within the meaning of Section 148 of the Code, a "private activity bond" within the meaning of Section 141(a) of the Code, or an obligation the interest on which is subject to federal income taxation because it is "federally guaranteed" as provided in Section 149(b) of the Code. The Local Agency, with respect to the proceeds of the Note, will comply with all requirements of such sections of the Code and all regulations of the United States Department of the Treasury issued or applicable thereunder to the extent that such requirements are, at the time, applicable and in effect.

(R) The Local Agency hereby (i) represents that the aggregate face amount of all tax-exempt obligations (including any tax-exempt leases, but excluding private activity bonds), issued and to be issued by the Local Agency during calendar year 2009, including the Note, is not reasonably expected to exceed \$5,000,000; or, in the alternative, (ii) covenants that the Local Agency will take all legally permissible steps necessary to ensure that all of the gross proceeds of the Note will be expended no later than the day that is six months after the date of issuance of the Note so as to satisfy the requirements of Section 148(f)(4)(B) of the Code.

Notwithstanding any other provision of this Resolution to the contrary, upon the Local Agency's failure to observe, or refusal to comply with, the covenants contained in this Section 11, no one other than the holders or former holders of the Note, the Owners or the Trustee on their behalf shall be entitled to exercise any right or remedy under this Resolution on the basis of the Local Agency's failure to observe, or refusal to comply with, such covenants.

The covenants contained in this Section 11 shall survive the payment of the Note.

Section 11. Events of Default and Remedies.

The occurrence of any of the following events shall be, and is hereby defined as, an "Event of Default":

(a) Failure by the Local Agency to make or cause to be made the transfers and deposits to the Payment Account, or any other payment required to be paid hereunder, including payment of principal and interest on the Note, on or before the date on which such transfer, deposit or other payment is due and payable;

(b) Failure by the Local Agency to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Resolution, for a period of fifteen (15) days after written notice, specifying such failure and requesting that it be remedied, is given to the Local Agency by the Trustee or the Credit Provider, if

applicable, unless the Trustee and the Credit Provider shall agree in writing to an extension of such time prior to its expiration;

(c) Any warranty, representation or other statement by or on behalf of the Local Agency contained in this Resolution or the Purchase Agreement (including the Pricing Confirmation) or in any requisition or any financial report delivered by the Local Agency or in any instrument furnished in compliance with or in reference to this Resolution or the Purchase Agreement or in connection with the Note, is false or misleading in any material respect;

(d) A petition is filed against the Local Agency under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect and is not dismissed within thirty (30) days after such filing, but the Trustee shall have the right to intervene in the proceedings prior to the expiration of such 30 days to protect its and the Owners' interests;

(e) The Local Agency files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under such law; or

(f) The Local Agency admits insolvency or bankruptcy or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including without limitation a receiver, liquidator or trustee) of the Local Agency or any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect its and the Owners' interests.

Whenever any Event of Default referred to in this Section 12 shall have happened and be continuing, the Trustee shall, in addition to any other remedies provided herein or by law or under the Trust Agreement have the right, at its option without any further demand or notice, to take one or any combination of the following remedial steps:

(a) Without declaring the Note to be immediately due and payable, require the Local Agency to pay to the Trustee, as holder of the Note, an amount equal to the principal of the Note and interest thereon to maturity, plus all other amounts due hereunder, and upon notice to the Local Agency the same shall become immediately due and payable by the Local Agency without further notice or demand; and

(b) Take whatever other action at law or in equity (except for acceleration of payment on the Note) which may appear necessary or desirable to collect the amounts

then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

Notwithstanding the foregoing, if the Local Agency's Note is secured in whole or in part by a Credit Instrument or if the Credit Provider is subrogated to rights under the Local Agency's Note, as long as the Credit Provider is not in default of its payment obligations under the Credit Instrument, the Credit Provider shall have the right to direct the remedies upon any Event of Default hereunder, and the Credit Provider's prior consent shall be required to any remedial action proposed to be taken by the Trustee hereunder.

If the Credit Provider is not reimbursed for any drawing, payment or claim, as applicable, used to pay principal of and interest on the Note due to a default in payment on the Note by the Local Agency, or if any principal of or interest on the Note remains unpaid after the Maturity Date, the Note shall be a Defaulted Note, the unpaid portion (including the interest component, if applicable) thereof or the portion (including the interest component, if applicable) to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been made shall be deemed outstanding and shall bear interest at the Default Rate until the Local Agency's obligation on the Defaulted Note is paid in full or payment is duly provided for, all subject to Section 8 hereof.

Section 12. Trustee. The Trustee is hereby appointed as paying agent, registrar and authenticating agent for the Note. The Local Agency hereby directs and authorizes the payment by the Trustee of the interest on and principal of the Note when such become due and payable, from the Payment Account held by the Trustee in the name of the Local Agency in the manner set forth herein. The Local Agency hereby covenants to deposit funds in such account at the time and in the amount specified herein to provide sufficient moneys to pay the principal of and interest on the Note on the Maturity Date. Payment of the Note shall be in accordance with the terms of the Note and this Resolution.

The Local Agency hereby agrees to maintain as paying agent, registrar and authenticating agent of the Note, the Trustee under the Trust Agreement.

Section 13. Approval of Actions. The Authorized Representatives of the Local Agency, set forth in Section 21, are hereby authorized and directed to execute the Note and cause the Trustee to authenticate and accept delivery of the Note, pursuant to the terms and conditions of this Resolution and the Trust Agreement. All actions heretofore taken by the officers and agents of the Local Agency or this Legislative Body with respect to the sale and issuance of the Note and participation in the Program are hereby approved, confirmed and ratified and the Authorized Representatives and agents of the Local Agency are hereby authorized and directed, for and in the name and on behalf of the Local Agency, to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Note in accordance with, and related transactions contemplated by, this Resolution. The Authorized Representatives of the Local Agency referred to in Section 21 hereof are

hereby designated as "Authorized Local Agency Representatives" under the Trust Agreement.

In the event that the Note or a portion thereof is secured by a Credit Instrument, any one of the Authorized Representatives of the Local Agency is hereby authorized and directed to provide the Credit Provider, with any and all information relating to the Local Agency as such Credit Provider may reasonably request.

Section 14. Proceedings Constitute Contract. The provisions of the Note and of this Resolution shall constitute a contract between the Local Agency and the registered owner of the Note and the Credit Provider, if any, and such provisions shall be enforceable by mandamus or any other appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction, and shall be irrevocable. The Credit Provider, if any, is a third party beneficiary of the provisions of this Resolution and the Note.

Section 15. Limited Liability. Notwithstanding anything to the contrary contained herein or in the Note or in any other document mentioned herein, the Local Agency shall not have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby except to the extent payable from moneys available therefor as set forth in Section 8 hereof.

Section 16. Amendments. At any time or from time to time, the Local Agency may adopt one or more Supplemental Resolutions with the written consents of the Authority and the Credit Provider, if any, but without the necessity for consent of the owner of the Note for any one or more of the following purposes:

(a) to add to the covenants and agreements of the Local Agency in this Resolution, other covenants and agreements to be observed by the Local Agency which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) to add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the Local Agency which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) to confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of any monies, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(d) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or

(e) to amend or supplement this Resolution in any other respect;

Provided, however, that any such Supplemental Resolution does not adversely affect the interests of the owner of the Note or of the Note Participations executed and delivered in connection with the Note.

Any modifications or amendment of this Resolution and of the rights and obligations of the Local Agency and of the owner of the Note or of the Note Participations executed and delivered in connection with the Note may be made by a Supplemental Resolution, with the written consents of the Authority and the Credit Provider, if any, and with the written consent of the owners of at least a majority in principal amount of the Note and of the Note Participations executed and delivered in connection with the Note outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as the Note or any or of the Note Participations executed and delivered in connection with the Note remain outstanding, the consent of the owners of such Note or of the Note Participations executed and delivered in connection with the Note shall not be required. No such modification or amendment shall permit a change in the Maturity Date or a reduction of the principal amount thereof or an extension of the time of any payment thereon or a reduction of the rate of interest thereon, or a change in the date or amounts of the pledge set forth in this Resolution, without the consent of the holder of such Note or of the Owners of the Note Participations executed and delivered in connection with such Note. No such modification or amendment shall reduce the percentage of the Note holders or the Owners who or which must consent to effect any such modification or amendment. No such modification or amendment shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

Section 17. Severability. In the event any court of competent jurisdiction shall hold any provision of this Resolution invalid or unenforceable, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 18. Appointment of Bond Counsel. The Local Agency approves and consents to the appointment of the law firm of Orrick, Herrington & Sutcliffe LLP, Los Angeles, California as Bond Counsel for the Program. The Local Agency acknowledges that Bond Counsel regularly performs legal services for many private and public entities in connection with a wide variety of matters, and that Bond Counsel has represented, is representing or may in the future represent other public entities, underwriters, trustees, rating agencies, insurers, credit enhancement providers, lenders, financial and other consultants who may have a role or interest in the proposed financing or that may be involved with or adverse to Local Agency in this or some other matter. Given the special, limited role of Bond Counsel described above the Local Agency acknowledges that no conflict of interest exists or would exist, waives any conflict of interest that might appear to exist, and consents to any and all such relationships.

Section 19. Appointment of Underwriter. The Local Agency approves and consents to the appointment of Barclays Capital Inc., as senior manager, together with such co-underwriters, if any, identified in the Purchase Contract, as Underwriter for the Program.
